This summer we are also starting the process of assessing our community's needs and planning for the future of YOUR library. If you have any ideas about what you would like to see in our buildings (or even what you don't want us to change), please stop by to let me know, fill out a suggestion slip at either branch, use the 'Suggestions and Feedback' box through www.rdl.org under Library Information, or send me an email at claire@romeodistrictlibrary.org. Maybe you've visited another library or seen something in the media that made you think, "I wonder why RDL doesn't have that." I'd love to hear about it.
